

# Guide to Activating Your Market Portal Account

## Step 1:

Users will receive an email from [no\\_reply@registration.pwc.com](mailto:no_reply@registration.pwc.com), and will be instructed to click on 'Activate your account'. If email does not appear in your **inbox**, please check your **Spam** folder for an email from the above email address.

This account activation will be valid for 7 days. If not completed within 7 days, a new account activation link will be sent out.

This activation email will look similar to the below:

## Step 2:

When users click on the 'Activate your account' button they will be instructed to confirm email address, choose a password (obeying rules highlighted in green below), confirm their password, enter their phone number for their one-time verification code and click 'Submit'. All of these fields will be mandatory to set up an account. Ensure the phone number entered is valid as it will be needed in the next step to verify the account.
